GOVERNMENT OF MYSORE

Memo for orders.

Reference:- Letter No.D.339 dated the 14th September 1901 from the Deputy Commissioner, Bangalore District, requesting sanction to the payment of a sum of Rs.4402-7-6 to the owners of certain lands in the Barigemuddenahalli village of the Bangalore Taluk, acquired for the purpose of erecting segregation sheds.

In the letter quoted above the Deputy Commr., Bangalore Distt, reports that in pursuance of Order No.5013-Pg.F.21-96 dated the 10th October 1898 certain lands in the village of Barigemuddanahalli, Bangalore Taluk, were taken possession of and segregation sheds erected thereon, that as there was no obstruction to excute the immediate purpose for which the lands had been intended and as the rates of compensation asked for the same by the owner were exorbitant the question of finally acquiring the lands ~~in question~~ were held in abeyance, that in course of time it was thought neither advantageous nor profitable to acquire all the lands, that therefore

in the year 1900 the sheds that stood on the lands of all, except B.C.Rudrap -pa Setti, Avalappa and Surappa were removed and in consideration of the temporary deprivation of the use of the lands compensation was sttled and paid to the owners thereof.

2. The Dy. Commr. now recommends ~~[illegible]~~ the acquisition of the lands belonging to B.C.Rudrappa Setti and Surappa(lands attached to the Rameswara Devaru temple) on the ground that they lie close to the Magadi Road and may be kept ready for future emergency. In the case of the lands of Rudrappa Setti it is further urged that Rudrappa Setti was the Toddy Con -tractor of the Bnagalore Taluk for the year 1898-99 ~~and~~ that ~~the~~ arrears to the extent of Rs 2905-1- are due from him ~~Rs.2905/-~~ and that ~~it~~ there is no other property of the defaulting contractor which can be more easily made answerable for the arrear due.

3. The extent of Rudrappa Setty's lands is stated to be 12 acres and 3 guntas and the compensation settled for the same at Rs150 per acre is Rs.1811-4-0 and the value of the trees. and wells standing thereon is esti- mated to be 1697-8-6; ~~further~~ The Dy. Commr. proposes to pay on the above sums interest amounting Rs.631-7-0

calculated

calculated at 6 per cent per annum for the past three years during which period the owner was dispossessed of his lands, thus the amount that will have to be paid to Rudrappa Setti will be Rs.4140-3-6 (minus Rs 2905/- being the toddy arrears due by him to Gogernment or Rs.1235-3-6)

Note. This need not be taken into account.

4. Rs.56/4/- is stated to have been settled for the 15 guntas of land belonging to Surappa.

6. As for the lands of Avalappa measuring 2 acre and 23 guntas the Dy Commr. reports that he has negotiated with the owner to pay Rs 206/- for the loss of crops for 3 years.

7. Thus the amount of compen-sation for which a statement is now submitted for sanction, viz, Rs4402-7-6 is made up of:-

Rudrappa Setti	Rs.	4140-3-6
Surappa	"	56-4-0
Avalappa	"	206-0-0
Total	"	4402-7-6

No.6704-L.B .P.976,26-10-01

8. With reference to the above the Dy. Commr. was requested to report when, at what rate and under what authority compensation was paid for the temporary occupation of certain lands referred to in para 1 above and why the lands of B.C. Rudrappa Setti and another should now be permanently acquired and how the cost should be met, and also why

some

some small compensation for the temporary occupation of the same should not be settled and paid to the owners as in the case of other lands.

Information was also called for as to the basis on which compensation had been fixed in the above case at Rs.150/- per acre when 100/- were paid for similar lands as per Govt. Pro. No 1029-31 dated the 15th February 1901.

9. In reply the Deputy Commr. states that compensation for the temporary occupation of certain lands was settled and paid at Rs.100/- per acre in accordance with Govt. Pro. No.1029-31 dated the 15th February 1901, that the lands of Rudrappa Setti have been acquired permanently at a cost of Rs.4140-3-6 for reasons stated in para 2 supra, while compensation amounting to Rs.262-4-0 for the loss of crops sustained by Surappa and Avalappa was settled making a total of 1402-7-6.

no: 920 Rj 13-2-02
(1 no: 6)

It is further alleged that the lands of Rudrappa Setti are superior to thosereferred to in the Proceedings quoted above and that ~~Mungore before~~ ~~refers~~ Rs.150/- per acre were allowed for them.

10. The entire cost is proposed to be met from Plague Funds.

The Dy Commissioners letter

5 5

No 422 of 5th October 1898
(Serial No 1) Shews that
these lands were acquired
under the verbal orders of
the late Dewan for Extending
the Pulney Segregation Camp &
the required No. of Sheds were
constructed thereon. They
cannot now be given up
without some loss to Govt.

The Dy Commissioner's
arguments however that
Rendrappa's land, which lies
close to the Magadi Road
may be reserved for
future use & that the
acquisition of the same has
been deemed necessary
because a Sum of Rs 2,905/-
is due by him on account
of Toddy Contract, which
cannot otherwise be
recovered does not seem
to be sound The Dy
Commissioner does not

say whether the land is
now required for plague
purposes. Even if it is
the large amount of
Compensation payable
therefore cannot be debited
to Plague funds, in-as-much
as the Municipality is
bound to provide accommodation
in such cases. The Municipality
too is not in a position to
& the Board is sure to say that the land is not required,
meet this heavy charge. Though
there is nothing on record
to shew that the matter was
placed before the Board
~~Good~~ It seems therefore
Equitable that whether with
or without the Consent of
the Board, the amount
of Compensation payable
for the lands should be
debited equally to Plague
and Municipal Funds. - 3 E.A
What this amount should be

to another point for
consideration

So far as can be
made out from the
Deputy Commissioner's reports,
there is nothing to prohibit
the permanent acquisition
of Rudrappas lands
at a cost of Rs 4.140-3-6
but having regard to
the fact that these lands
have been in possession
of Government for 4 seasons
and that Compensation
to the extent of at least
1000 Rs (at the rate proposed
to Avaleppa) has to be
paid to Rudrappa for
the temporary occupation
of his land in addition to loss of
~~the~~ crops from fruit trees
(if any), it seems desirable
to acquire the land once
forall in the interests
of

of the Municipalities

Rev. and Genl Deptt.

Sir,

I have the honor to State that in Government Proceedings No. 5013 Pg 7 2196 dated the 10th October 1898 certain land, were ordered to be acquired, in the village of Barigumudanahalli in the Bangalore Taluk - for the extension of the plague — segregation camp. As the lands were — urgently needed for erecting the Segregation sheds, they were taken possession of —

and the required sheds erected. The question of finally acquiring these lands appears to have been held in abeyance partly because there was no obstruction to execute the immediate purpose for which the lands had been intended, and partly because the rates of compensation demanded by the owners were exorbitant. As time went on, it was thought neither advantageous nor profitable to acquire all these lands. In the year 1900, the sheds that stood on the lands of all except B.C. Rudrappa Setti, Avalakka and Suvarna were removed and in consideration of this temporary deprivation of their use of

the lands, compensation was settled and paid. In August 1901, I visited the place and saw the lands of these three persons. The lands belonging to B. C Rudrappa Setti and Swapna (lands attached to the Rameswara Devaru temple) lie close to the Magadi road, and I think they may therefore be acquired permanently by the Government and kept ready for use against any aggression that may arise. The compensation that has been settled - for the 12 Acres and 3 Guntas of Rudrappa Setti's land is Rs 1811-1 at Rs 150 per acre for land and that for the trees and wells standing thereon have been valued at Rs 1697-8-6. As the owner has been dispossessed of his lands for

for the past three years an interest of

Rs 631-7-4 at 6 per cent per annum

has been allowed on the above amounts

to make up for the loss sustained by him.

There is another reason why the acquisition of these lands

has been deemed necessary B. C

Rudrakha Setty was the toddy Contractor

of the Bangalore Taluk for the year 1898-99

and the arrear due from him is Rs 2905

There is no other property of the

defaulting contractor which can be

more easily made answerable for the

arrear due By acquiring his lands

the arrear due is proposed to be made

good from the amount of Compensation

payable

Has he nothing to do payment in-enforce-ment

payable to him.

2. A Compensation of Rs 56-4-0 has been settled for the 15 guntas of the Ramaswara Devaru inam

3. As regards Avalakka's lands, measuring 2 acres and 23 guntas, I do not think it necessary to acquire them and so, I have negotiated with the man for a Compensation of Rs 20-0-0 for loss of crops for three years.

4. Under the above circumstances, I beg to submit, herewith, a compensation Statement for Rs 1402-7-0 and to request that it may be sanctioned. The expenditure may be met from the amount allotted for the plague works.

I have the honor to be

To,

Revenue and General Departments.

Sir,

In reply to your docket no. 6704/LB(P)976 dated the 25th October 1901 requesting certain information regarding the payment of compensation to the owners of lands for the temporary occupation of their lands and why the lands belonging to B. C. Audinappah Chetty have been recommended to be permanently acquired &c, I have the honor to submit as follows:—

2. Compensation for the tem-

-porary

temporary occupation of certain lands was settled and paid at Rs 100/- per acre as per sanction conveyed in Government Proceedings No. 1029-31 dated 15th February 1901.

3. The lands belonging to B. G. Rudrappa have been permanently acquired at a cost of Rs 4140-3-6 and a compensation of Rs 262-4-0 for the loss of Crop belonging to Sivappa and Nralappa was settled, making a total of Rs 4402-7-6. The reasons why Rudrappa's lands were permanently acquired are as stated in the 1st para of this office letter No. 339 dated the 14th September 1901, — there is no other way of recovering the large amount due from him account of arrears of Toddy Contract. The cost of this may be met from the Plague funds as suggested in this office letter above referred to.

With reference to para 2 of
your docket 13 under reply, I beg
to point out that the lands referred
to in Government Proceedings No.
1029-31 dated 15 February 1901 seem to be
inferior and they were acquired
at Rs 100/- per acre and as the lands
of Rudrappah are superior Rs 150/-
per acre was allowed for them
Under these circumstances
I request that you will be good
enough to obtain the sanction
of Government for Rs 4402-7-6
applied for in my letter No. 339
dated 14th September 1901.

Has the honor to state that the payment could not be made afte Govt. sanction was received in 1902 as the papers relating thereto were not received in this offic from the Revenue Department till July 1903 i.e.- after the close of the official year in which the compensation was sanctioned. So fresh sanction for payment has become necessary and is now solicited.

17 [illegible] correspondence ending with docket No.3111P. dated the 18th May 1904 from the Senior Surgeon and Sy. Commr., forwarding copy of docket No.2631 dated the 12th idem from the President, City Municipality, Bangalore, reporting that the sum of Rs4,402-7-6 sanctioned in Govt. Pro. No.16494-6-L.B.P.1695 dated 8th April 1902, for payment of compensation to the parties named there in, could not be made as the papers relating to the order referred to were not received by him from the Rev. Commrs office till July 1903,i.e., after the close of the official year, in which the payment was sanctioned, and requesting renewal of the sanction already accorded on the ground that the parties press for payment.

"Savings under Epidemic Diseases Hospital" is an indefinite item. Since however this is no new sanction and since it is desirable that there ought not to be a second lapse, this order may be issued.
